To Whom It May Concern:

This is a letter of recommendation for Frost Homes, an Idaho building company that I have had the pleasure of working with for many years. My own company, Rocky Mountain Tile, Inc., has been involved with numerous contractors over the past 20 years and I can honestly say that I find myself using Nancy Frost and Frost Homes as a yardstick to measure builders in this area. I have been repeatedly amazed at her attention to details that are usually overlooked by other builders which in turn leaves the subcontractor responsible for picking up the slack. All of Frost Homes' projects are of the highest quality and their expertise and hands on approach should be a requirement for Idaho builders.

Sincerely,

  
Mike Streeby
